# THE STUDENT BODY

On Census Day (3 August 2012), Haileybury had an enrolment of 3,289 students (Prep to Year 12), of whom 1,991 were boys and 1,298 were girls. This enrolment included 35 overseas students and seven Indigenous students. Haileybury also had Early Learning Centre enrolments of 256 for a total enrolment of 3,545.

## VOCATIONAL TRAINING

### Undertaking Vocation Training or Trade

Boys (Year 10 - 12)	11%
Girls (Year 10 - 12)	10%
<b>Total % of Year 12</b>	<b>20%</b>

No students completed a VCAL or an equivalent VET qualification in 2012.

## STUDENT ATTENDANCE AND RETENTION

### Attendance

Attendance is taken twice a day and electronically recorded. Parents of students who are to be absent are asked to ring an attendance 'hotline' before school. Parents of students below Year 10 who have not confirmed their child's absence by recess are contacted by phone. Students above Year 9 are required to bring a note the following day to explain absence and discrepancies are followed up by Senior School staff. In 2012 the Attendance Rate was 95.06%.

### Retention

77% of students in Year 12 had been in the School since at least Year 9.

## PRINCIPAL'S COMMENT TO THE HAILEYBURY COMMUNITY

"Haileybury's Victorian Certificate of Education (VCE) and International Baccalaureate (IB) students have achieved an outstanding set of results in 2012.

Saurav Das and Joshua Solomonsz attained the highest possible IB score of 45 and thus the highest possible Australian Tertiary Admissions Ranking (ATAR) of 99.95, placing them in the top 0.05% of students in Australia.

Bridget Jones and Gordon Chen achieved the highest Haileybury VCE ATAR Scores of 99.9, placing them in the top 0.1% of students in Australia.

The ATAR is the ranking used by universities across Australia to allocate students to courses. One of Haileybury's core aims is to have students achieve a strong ATAR so that they have a wide range of study choices available to them.

In 2012, 30 Haileybury students, or 8% of the VCE and IB cohort, achieved an ATAR of 99 or above, placing them in the top 1% in the country. 50 students or 13% were in the top 2% in the country with an ATAR of 98 or higher. 36% of all Haileybury VCE and IB graduates, or 139 students, were in the top 10% in the country, 63% were in the top 20% and 83% were in the top 30%, with an ATAR of 70 or above. 95% of all Haileybury students were in the top half in the country.

This result demonstrates strong value-added performance, as well as a remarkable list of very high achievers. It has also been a great pleasure to see the class of 2012 involve themselves so strongly in a broad

range of school and social justice activities during the year. We believe they are ready for life after school.

Of particular note on the academic side is the large number of maximum Study Scores achieved by the students of Haileybury College and Haileybury Girls College in the VCE. A 50 is very hard to achieve as it is a ranking against all of the other students doing that subject in Victoria. A total of 18 maximum Study Scores was achieved in VCE subjects in 2012.

In the IB, the highest subject score is seven. A total of 28 scores of seven was achieved by 10 students.

I thank the whole Haileybury community of families and staff for their support of the academic program."

# NAPLAN RESULTS

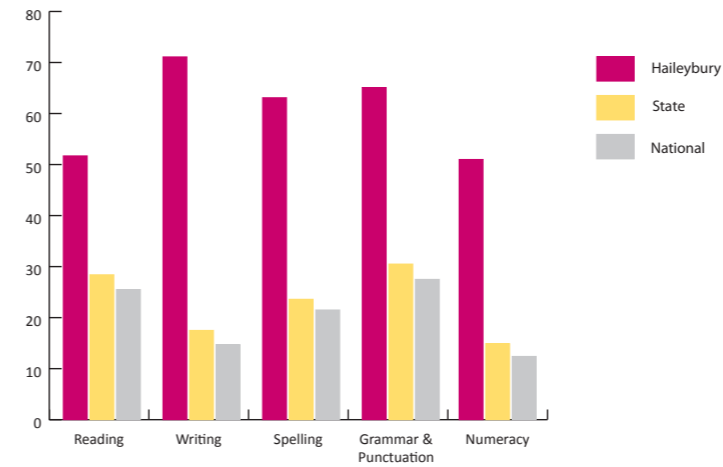

In 2012 all students in Years 3, 5, 7 and 9 undertook the NAPLAN testing. The results were outstanding and continued to show improvement from past results. The results show we are one of Australia's leading schools in literacy and numeracy.

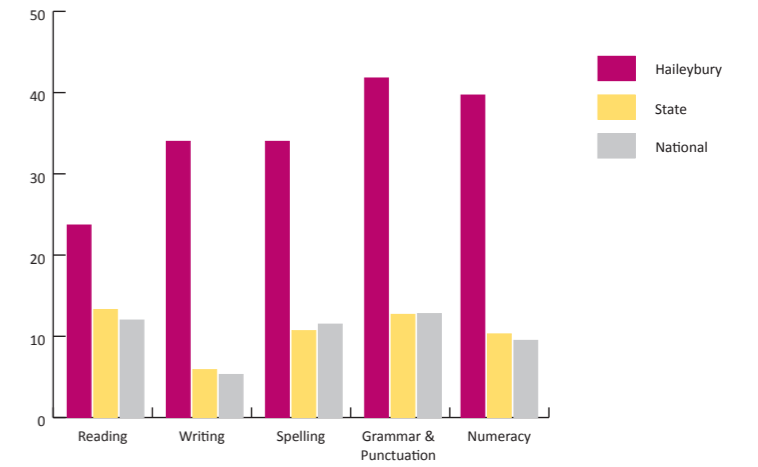

Data published on the *My School* website indicate that, at all year levels, Haileybury is performing well above like schools in most areas. Haileybury continues to work towards ensuring all students achieve at their highest possible level.

The following graphs show the percentages of students at each year level who are achieving at the highest band level possible.

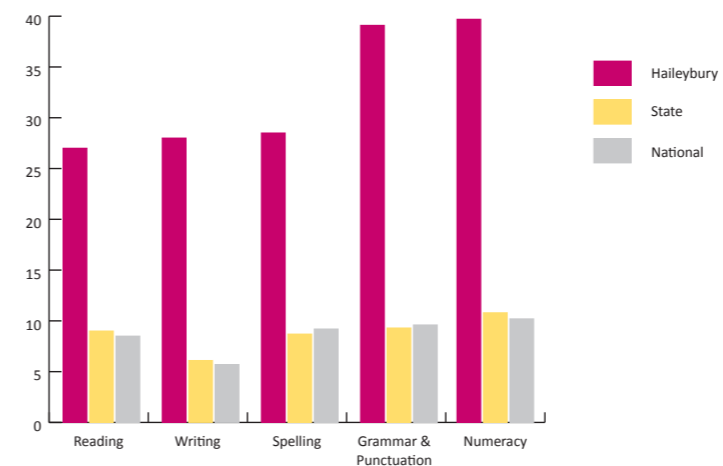

PERCENTAGE OF YEAR 3 STUDENTS AT THE MAXIMUM BAND LEVEL (6)

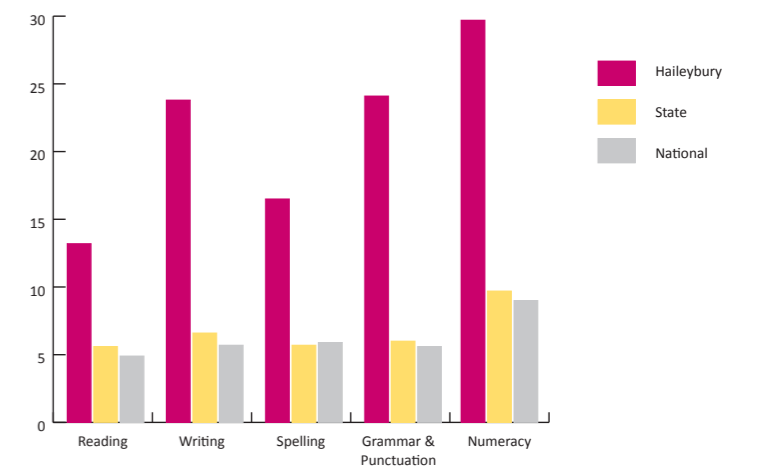

PERCENTAGE OF YEAR 5 STUDENTS AT THE MAXIMUM BAND LEVEL (8)

PERCENTAGE OF YEAR 7 STUDENTS AT THE MAXIMUM BAND LEVEL (9)

PERCENTAGE OF YEAR 9 STUDENTS AT THE MAXIMUM BAND LEVEL (10)
